Introduction

Welcome and congratulations for joining the *AQQUS* Family! Your case was designed carefully by an amazing team to create a convenient solution to assist your commuting needs. This User Manual will serve as your guide to your brand new *AQQUS*: Bifold! This manual was designed to provide some basic information about the design, functionality, and usage of the Bifold toiletries case to people who will use the case on a day-to-day basis. Below, you will find information about the Operation Instruction, Maintenance, Service Information, and so much more! Understanding how to use the Bifold will allow you to manage your storage and traveling needs efficiently.

Parts List

The *AQUUS: Bifold Case* comes pre-assembled with a total of 5 parts. Part #1 is the top of the case which you can place your utensil, toothbrush and even razor on. Part #2 is the bottom of the case which contains 6 bays to perfectly hold in place your toiletry items, allowing for your items to fit snug within the case. Part #3 are the hinges which connect the top of the case to the bottom and allow free axis of rotation. Part #4 are the Case Pins, which connect the hinges together, making the assembly all come together. Part #5 is the stand. The stand comes pre-attached to the top of the case and allows the user to place their case at an upright angle giving easy access to the items inside. Part #6 is the Latches which is designed to seal your case while being easy to open. Part #7 is the Stand Pin which connect the stand to the back of the case giving you easy adjustability.

ITEM:	QTY:	PART NAME:
1	1	Case Top
2	1	Case Bottom
3	2	Hinges
4	2	Case Pins
5	1	Stand
6	2	Latches
7	1	Stand Pin

Assembly Instructions

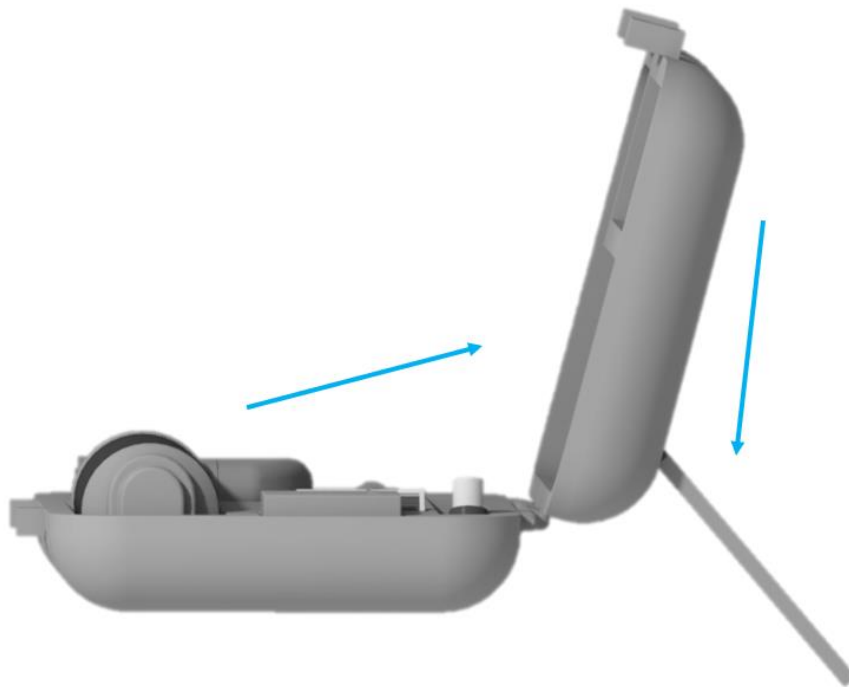

The *AQUUS*: Bifold Case comes preassembled when purchased. The case is made up of a top piece, a bottom piece, two hinges connecting the top to the bottom, pins that attach to the hinges, and a stand that is attached to the top of the case. All you need to do to use this case is add your preferred toiletry items and take it wherever you need! We do not recommend taking apart the case. If there are any replacement parts needed, please refer to a team member located on the “Service Center” page or on our website under the “Contact Us” tab.

Operation Instructions

To use the *AQUUS: Bifold Case*, release the latch from the top of the case to the bottom and open the bifold. Position the stand that is attached to the top of the case onto your surface, holding the case open so that it is at your favored angle.

The next step is to place your preferred toiletry items in the designed spots, close the case, and latch the top of the case to the bottom. The *AQUUS: Bifold Case* is waterproof and rattle proof so you can place your latched bifold case anywhere you please and trust that your items will neither bounce around, nor have any leakage access your toiletry items.

Maintenance

The *AQUUS*: Bifold Case was made to be dishwasher safe making the cleaning very simple. If used for traveling, we recommend that the case is washed after every use and if used on a regular basis the case should be washed on a 1–2-week basis. These practices will allow you to keep your case sanitized and prevent things like mold from forming. We also recommend that the case only be used for its intended purpose and with the items meant to fit in the case. If not used correctly damage could be caused to the case. If any damage/malfunctions occur with your *AQUUS*: Bifold look over the warranty information listed on the next page.

Warranty Information

The AQUUS: Bifold is backed by a limited 2-year warranty. If you are not 100% satisfied with the product, contact your nearest retailer, or refer to the “Contact Page” on our website to receive a replacement product or your money back. This warranty covers everything except the following: Damage caused by modification or removing product parts, intentional damage to the product (for example, striking the product with another object), and theft/loss of the product. *AQUUS* is NOT responsible for any damage that may be caused to any personal belongings.
